2009 AAN Winter Conference

January 16–18
Disney's Contemporary Resort
Lake Buena Vista, FL

Early Registration and Hotel Deadline:
December 15, 2008

A weekend of adventures. Both in and out of the classroom.

AAN CME
OPPORTUNITY

A Perfect Combination: Top AAN Education Programming Meets Sun and Fun of Florida

Looking to escape the cold of winter into the sun and fun of a warm-weather destination? Need to fulfill your continuing medical education (CME) requirements as a necessary step towards maintenance of certification (MOC)? Want to learn about the latest advances in neurology and discover the best tools and resources to help you run your practice more efficiently?

Then don't miss the 2009 AAN Winter Conference in sunny Florida! This unique opportunity combines the top education programming of the AAN with the excitement of Disney's Contemporary Resort: a perfect combination that you—and your whole family—will enjoy!

The 2009 AAN Winter Conference boasts a weekend of adventures—both in and out of the classroom:

- Hear from experts on the latest updates on a variety of neurologic disorders
- Discover effective tips on how to code correctly and receive the compensation that you deserve
- Learn how to recognize and proactively avoid financial or legal pitfalls
- Earn up to 19.5 AMA PRA Category 1 credits™
- Enjoy the fun and excitement of Disney's Contemporary Resort

Register by December 15, 2008, and save with early registration and hotel discounts.

ABPN-approved Program for Maintenance of Certification

The American Board of Psychiatry and Neurology has reviewed the 2009 AAN Winter Conference programs and has approved this product as part of a comprehensive lifelong learning program, which is mandated by the American Board of Medical Specialties as a necessary component of maintenance of certification.

©Disney

CONFERENCE SCHEDULE

Three Days Are All You Need

The AAN Winter Conference's ABPN-approved programming is geared toward practitioners, academicians, residents, fellows, practice managers, and office administrators.

FRIDAY, JANUARY 16

MORNING

How to Treat Neurological Disease with Botulinum Toxin Workshop
7:00 a.m.–4:30 p.m.

Practice Management 102: Coding and Billing—A Case-Based Approach
8:00 a.m.–12:00 p.m.

AFTERNOON

Complimentary Lunch in Exhibit Hall
11:30 a.m.–1:00 p.m.

Neurology Update I
1:00 p.m.–5:00 p.m.

Practice Management 202: Expanding Your Practice: What You Need to Know to Ensure Success
1:00 p.m.–5:00 p.m.

EVENING

Opening Reception in Exhibit Hall
5:00 p.m.–6:00 p.m.

Therapy Program: Multiple Sclerosis
6:00 p.m.–8:00 p.m.

SATURDAY, JANUARY 17

MORNING

Complimentary Breakfast in Exhibit Hall
7:00 a.m.–8:00 a.m.

Neurology Update II
8:00 a.m.–12:00 p.m.

Practice Management 302: Shaking the Practice Tree—How to Get More Fruit to Your Practice's Bottom Line
8:00 a.m.–12:00 p.m.

AFTERNOON

Complimentary Lunch in Exhibit Hall
11:30 a.m.–1:00 p.m.

Epilepsy Update
1:00 p.m.–5:00 p.m.

SUNDAY, JANUARY 18

MORNING

Neurology Update III
8:00 a.m.–12:00 p.m.

VISIT THE EXHIBIT HALL

Get information on the latest products and services from the neurologic community to assist with practice management and patient care. Complimentary breakfast, coffee breaks, and lunches will be served to registered attendees.

EXHIBIT HALL HOURS

Friday, January 16

11:30 a.m.–1:00 p.m.
5:00 p.m.–6:00 p.m.

Saturday, January 17

7:00 a.m.–8:00 a.m.
11:30 a.m.–1:00 p.m.

The American Academy of Neurology Winter Conference presents practice management education in three parts, all of which are understandable and accessible for practicing neurologists and office managers. Participants in Practice Management 102 learn the basics of ICD-9 coding for neurologic disorders and CPT coding for procedures and office visits. Practice Management 202 covers the topics of office, personnel, and financial management. Practice Management 302 examines strategic planning for professional survival.

NEUROLOGY UPDATE I, II, AND III

CME Credit: 10.5 hours / Program Director: Steven L. Lewis, MD, FAAN, Chicago, IL

AS AN ATTENDEE, you should be able to identify the important advances in the major areas of clinical neurology, apply your new knowledge to the practice and teaching of clinical neurology, and provide the most up-to-date care for your neurological patients.

PROGRAM DESCRIPTION

This program will provide neurology practitioners, academicians, residents, and fellows with a review and update in key areas of clinical neurology, including dementia, movement disorders, neuro-infectious disease, neuromuscular disease, stroke, neuro-ophthalmology, sleep medicine, neuro-oncology, and headache. Emphasis will be placed on diagnosis, management, and the most current treatment modalities. The faculty are all noted experts in their field who are particularly known for their teaching skills. The Neurology Update programs will be offered over three days to allow participants to take part in other programs, visit the exhibits, or enjoy leisure activities.

RECOMMENDED AUDIENCE

- Practitioners
- Academicians
- Residents
- Fellows

CORE COMPETENCIES

- Patient Care
- Medical Knowledge
- Practice-Based Learning and Improvement
- Professionalism

This program offers BASIC and ADVANCED knowledge.

SCHEDULE AND FACULTY

FRIDAY, JANUARY 16 / 1:00 P.M. – 5:00 P.M.

Neuro-ophthalmology	Mark L. Moster MD, FAAN	Philadelphia, PA
Stroke	Karen C. Johnston, MD, MSC	Charlottesville, VA
Sleep Medicine	TBD	TBD

SATURDAY, JANUARY 17 / 8:00 A.M.–12:00 P.M.

Movement Disorders	Kathleen M. Shannon, MD	Chicago, IL
Neuro-oncology	David Schiff, MD, FAAN	Charlottesville, VA
Headache	Peter Goadsby, MD, PhD	San Francisco, CA

SUNDAY, JANUARY 18 / 8:00 A.M.–12:00 P.M.

Dementia	Bruce L. Miller, MD	San Francisco, CA
Neuromuscular Disease	Anthony A. Amato, MD	Boston, MA
Neuro-infectious Disease	Larry E. Davis, MD, FAAN	Albuquerque, NM

HOW TO TREAT NEUROLOGICAL DISEASE WITH BOTULINUM TOXIN WORKSHOP

CME Credit: 7.0 hours / Workshop Director: TBD

AS AN ATTENDEE, you will discover how botulinum toxin is playing an increasingly important role in the management of dystonia and spasticity. Learn about the injection technique for treatment of cranial dystonia, cervical dystonia, limb dystonia, blepharospasm, hemifacial spasm, and spasticity in both adults and children. Understand the typical dosages for each disorder with each type of botulinum toxin and gain the knowledge you'll need to describe to your patients the onset, duration of effect, and any potential side effects.

WORKSHOP DESCRIPTION

Dystonia and spasticity are chronological disorders characterized by sustained muscle contractions that frequently cause twisting or repetitive movements and abnormal—sometimes painful—postures or positions. Botulinum toxin is playing an increasingly important role in the management of these disorders.

For this workshop, faculty will introduce attendees to the basic pharmacology of botulinum toxin and its treatment techniques for dystonia and spasticity in both adults and children.

WORKSHOP FEATURES

- Limited class sizes provide more personal instruction
- Small-group demonstration featuring Electronic Virtual Injection Stimulator (ELVIS) mannequins and videos with case discussions
- Ample time allotted for questions and participant discussion
- 7.0 hours of AMA PRA Category 1 credits™

RECOMMENDED AUDIENCE

- Practitioners
- Residents
- Fellows

Note: These workshops are intended for physicians who are interested but not yet experienced in the treatment of dystonia/spasticity with local injections of botulinum toxin.

FACULTY

- Faculty to be determined

ADVISORY PANEL

- Allison Brashear, MD, FAAN, Chair
- Cynthia L. Comella, MD, FAAN
- Alberto Esquenazi, MD
- Barbara P. Karp, MD
- Mark F. Lew, MD, FAAN
- Ann H. Tilton, MD, FAAN

CORE COMPETENCIES

- Medical Knowledge
- Patient Care
- Interpersonal and Communication Skills
- Professionalism
- Practice-Based Learning and Improvement

This program offers BASIC and ADVANCED knowledge.

SCHEDULE AND FACULTY

FRIDAY, JANUARY 16 / 7:00 A.M.–4:30 P.M.

7:00 a.m.–7:50 a.m.	Registration and Continental Breakfast
7:50 a.m.–8:00 a.m.	Welcome and Introduction
8:00 a.m.–8:40 a.m.	Pharmacology of Botulinum Toxin: Methods of Administration and General Principles for Use
8:40 a.m.–9:00 a.m.	The Use of Botulinum Toxin for Facial, Jaw, and Laryngeal Injections
9:00 a.m.–9:45 a.m.	The Use of Botulinum Toxin in Treatment of Cervical Dystonia
10:00 a.m.–11:00 a.m.	Adult and Pediatric Spasticity and Limb Dystonia
11:00 a.m.–11:45 a.m.	Emerging Uses of Botulinum Toxin
11:45 a.m.–12:00 p.m.	Questions to Panel
12:00 p.m.–12:45 p.m.	Working Lunch: Coding Tips and Pitfalls
12:45 p.m.–1:30 p.m.	Anatomy and Dilution
1:30 p.m.–4:30 p.m.	Demonstration Sessions and Video/Case Discussions <ul style="list-style-type: none">• Cervical Dystonia• Spasticity and Limb Injections• Facial Injections Including Blepharospasm and Hemifacial Spasm

The Movement Disorder Society

PRACTICE MANAGEMENT 102: Coding and Billing—A Case-Based Approach

CME Credit: 3.5 hours / Program Director: Neil A. Busis, MD, FAAN, Pittsburgh, PA

AS AN ATTENDEE, you should gain a solid grasp of the basics of practice management; learn how to code diagnosis and neurological E/M and procedures accurately; know how to submit clean claims to reduce claim denial; and know how to appeal rejected claims.

PROGRAM DESCRIPTION

A basic understanding of coding, billing, and claims submission is fundamental to the clinical practice of medicine in any environment. Faculty will discuss the core principles of these topics and present detailed information unique to the practice of neurology, including ICD-9 diagnosis coding, evaluation and management service coding, diagnostic and procedure coding, and claims submission using a case-based approach. The cases will also illustrate how to apply AAN Practice Guidelines to the care of individual patients.

RECOMMENDED AUDIENCE

- Practitioners
- Practice Managers
- Office Administrators
- Residents, Fellows, Academicians

CORE COMPETENCIES

- Systems-Based Practice
- Practice-Based Learning and Improvement
- Interpersonal and Communication Skills

PROGRAM AND FACULTY

FRIDAY, JANUARY 16 / 8:00 A.M.–12:00 P.M.

Case 1	Neuropathy/Myopathy	Faculty*
Case 2	TIA	Faculty*
Case 3	Headache	Faculty*
Case 4	Seizure	Faculty*

* Faculty

- Neil A. Busis, MD, FAAN
- Anna D. Hohler, MD
- Mary H. McDermott
- Marc R. Nuwer, MD, PhD, FAAN
- Laura B. Powers, MD, FAAN

PRACTICE MANAGEMENT 202: Expanding Your Practice: What You Need to Know to Ensure Success

CME Credit: 3.5 hours / Director: Orly Avitzur, MD, MBA, FAAN, Tarrytown, NY

AS AN ATTENDEE, you should learn from real life examples of expansion successes and failures, including what works well and what doesn't; discover how financial projections are used to avoid investment disasters; learn how to use a new associate, physician assistant, or nurse practitioner to maximize productivity; be able to select from a menu of potential practice expansion ideas; and discover how to market your new service tastefully using traditional techniques as well as new tools including practice websites, blogs, and podcasts.

PROGRAM DESCRIPTION

Could your neurology practice use an overhaul? Those who stay competitive in today's market constantly reevaluate their practice design. If you're still practicing the way you did 20 years ago, you may need a wake-up call. Even if your waiting room is full and your appointment waiting time is lengthy, if you aren't looking at the numbers, you may be making poor decisions.

This course is an extension of the popular Annual Meeting Practice Survival course. Expert faculty has over 75 years of management experience with expertise in accounting, business, and employee management. Participants should learn how to determine when to add new services, how to best integrate new providers, which added service makes the most sense, and how to effectively market your practice once you've expanded. Best of breed examples will be provided and success stories shared.

RECOMMENDED AUDIENCE

- Practitioners
- Fellows
- Residents
- Practice Administrators

CORE COMPETENCIES

- Systems-Based Practice
- Practice-Based Learning and Improvement
- Interpersonal and Communication Skills

PROGRAM AND FACULTY

FRIDAY, JANUARY 16 / 1:00 P.M.–5:00 P.M.

Looking at the Numbers Part I: How to Determine When to Add New Services or Additional Personnel	Bruce Sigsbee, MD, FAAN	Rockport, ME
Looking at the Numbers Part II: How to Select the Right Compensation Model	Bruce Sigsbee, MD, FAAN	Rockport, ME
How to Restructure When Adding New Associates, Providers, or Technicians	Neil A. Busis, MD, FAAN	Pittsburgh, PA
Evaluating Opportunities to Grow Your Practice	William Henderson, FACMPE	Baltimore, MD
Marketing Your Practice: How to Use Successful Traditional Methods and Incorporate New Technologies	Orly Avitzur, MD, MBA, FAAN	Tarrytown, NY

THERAPY PROGRAM: Multiple Sclerosis

CME Credit: 2.0 hours / Program Director: Steven R. Schwid, MD, FAAN, Rochester, NY

AS AN ATTENDEE, you should understand the evidence regarding the potential risks and benefits of fampridine and commonly used complementary and alternative medicines for multiple sclerosis (MS), and be able to prescribe disease-modifying therapies consistent with an evidence-based approach.

PROGRAM DESCRIPTION

Therapeutic options for multiple sclerosis have expanded dramatically in the past decade. In this session faculty will focus on randomized controlled trials demonstrating the safety and efficiency of fampridine, which can improve motor function and other symptoms of MS; the rationale and evidence for complementary and alternative medicines commonly used by patients with MS, and practical management of disease activity and symptoms using interactive cases.

RECOMMENDED AUDIENCE

- Practitioners
- Clinical Researchers
- Residents

CORE COMPETENCIES

- Medical Knowledge
- Patient Care
- Practice-Based Learning and Improvement

SCHEDULE AND FACULTY

FRIDAY, JANUARY 16 / 6:00 P.M.–8:00 P.M.

Fampridine: A Restorative Treatment for Multiple Sclerosis	Andrew D. Goodman, MD, FAAN	Rochester, NY
Complementary and Alternative Medicine for Multiple Sclerosis	Allen C. Bowling, MD, PhD	Englewood, CO
Management of Multiple Sclerosis: Illustrative Cases	Steven R. Schwid, MD, FAAN	Rochester, NY

PRACTICE MANAGEMENT 302: Shaking the Practice Tree—How to Get More Fruit to Your Practice's Bottom Line

CME Credit: 3.5 hours / Director: Bryan Soronson, MPA, FACMPE, CRA, Baltimore, MD

AS AN ATTENDEE, you should obtain some of the fundamentals required to manage a neurology practice, utilize the latest tool kit to proactively manage the business aspects of your practice, and address issues before a problem occurs without throwing a wrench into the operation.

PROGRAM DESCRIPTION

Obtain knowledge about how to manage employees, including how to recruit and retain staff and to maintain an effective human resources program whether as a solo practitioner or a member of a large group practice. Learn how to analyze and manage your accounts receivable and denial management, and to maximize reimbursement from commercial insurance carriers. Many physician groups are considering the implementation of an EMR. Program faculty will help you to begin the selection process with a needs assessment plan. Finally, faculty will help you sort through the alphabet soup of HIPAA, OSHA, and other regulatory programs.

RECOMMENDED AUDIENCE

- Physicians
- Administrators
- Office Managers
- Staff from Practices of All Sizes and Levels of Complexity

CORE COMPETENCIES

- Systems-Based Practice
- Practice-Based Learning and Improvement
- Interpersonal and Communication Skills

SCHEDULE AND FACULTY

SATURDAY, JANUARY 17 / 8:00 A.M.–12:00 P.M.

People Management—How to Build a High Performance Workforce	Jeffrey O. Dann, CPA, FACMPE	Rochester, NY
The Electronic Health Record Selection Process—How to Understand Your Electronic Health Record Needs	William S. Henderson, FACMPE	Albany, NY
Get Your Accounts Receivable Groove Going—4 Steps to Faster Cash	Craig Williams	Boston, MA
Rediscover Regulatory Bliss—Keeping Ahead of the Law	Bryan Soronson, MPA, FACMPE, CRA	Baltimore, MD

EPILEPSY UPDATE

CME Credits: 3.5 hours / Program Director: Joseph I. Sirven, MD, FAAN, Scottsdale, AZ

AS AN ATTENDEE, you should learn about the clinical practice guidelines associated with the choice of medications in all age groups regarding epilepsy; be able to discuss bioequivalence of generic AEDs; obtain the latest updates regarding the ketogenic diet, epilepsy surgery, and novel electrical stimulation devices that are in clinical trials; become informed about the management of women of child bearing potential with seizures and the issue of bone health; learn how to detail the best evidence for the diagnosis and management of seizures in older adults; and obtain clinically helpful information that is useful in daily practice.

PROGRAM DESCRIPTION

This program will focus on the management of seizures and epilepsy of all age groups and special populations (pediatrics, elderly, the refractory patient, and women of child bearing potential). Faculty will detail updates on medications available for seizures and epilepsy, both currently available and those that are in the late stages of clinical trials with potential FDA approval in the coming years. Emphasis will be given on clinical practice guidelines regarding the choice of seizure medications and therapeutic monitoring. In addition, faculty will discuss the use of generics and bioequivalence. Faculty will cover treatment of the refractory epilepsy patient, detailing surgery, imaging, and epilepsy stimulation device updates; provide updates on pediatric epilepsy management, including surgery and the ketogenic diet; present the latest information on women's issues with regard to pregnancy registries, new clinical guidelines regarding the treatment of women with epilepsy, and bone health and metabolism issues; highlight the best evidence to support choices of different medications for older adult individuals suffering from seizures; and discuss how to best correctly diagnose patients with seizures. A seizure and epilepsy video EEG quiz will highlight how to recognize spells in various age groups, and audience participation and discussion are strongly encouraged.

RECOMMENDED AUDIENCE

- Practitioners
- Fellows
- Residents
- Nurses
- Academicians

CORE COMPETENCIES

- Patient Care
- Medical Knowledge
- Systems-Based Practice

SCHEDULE AND FACULTY

SATURDAY, JANUARY 17 / 1:00 P.M.–5:00 P.M.

Medical Update	Susan T. Herman, MD	Boston, MA
Epilepsy Surgery and Stimulation Update	Gregory D. Cascino, MD, FAAN	Rochester, MN
Pediatric Epilepsy Update	Dennis J. Dlugos, MD, MPH	Philadelphia, PA
Women's Issues in Epilepsy	Joyce D. Liporace, MD	Media, PA
Seizures in Older Adults	Joseph I. Sirven, MD, FAAN	Scottsdale, AZ
Epilepsy, Video EEG Quiz, and Case Discussions	Joseph F. Drazkowski, MD, and Faculty	Phoenix, AZ

HOTEL INFORMATION

Hotel Registration Deadline: December 15, 2008

DISNEY'S CONTEMPORARY RESORT

4600 North World Drive
Lake Buena Vista, FL 32830

Reservations: (407) 824-3869

RESERVATIONS, SPECIAL RATES, AND ROOM RESERVATION DEADLINE

The AAN has negotiated a sleeping room rate of \$199.00 per night single/double for the 2009 AAN Winter Conference (rate does not include applicable state and resort taxes).

Call the resort at (407) 824-3869 on or before Monday, December 15, 2008, and identify yourself as part of the AAN Winter Conference to receive the special group rate. All reservations must be guaranteed with a deposit for the first night's guestroom and tax charge. If reservation is guaranteed to a credit card, a first night's guestroom—and tax rate per guestroom—will be billed immediately to the cardholder's account.

CANCELLATION POLICY

Disney's Contemporary Resort allows individual attendees the right to cancel their guestroom reservations in accordance with its general policy at that time. Currently, a refund is given if a cancellation takes place at least five days before arrival. Refunds will not be made if the guest does not arrive on the confirmed date of arrival. It is policy to require a credit card or cash deposit for incidental charges.

Hotel accepts Visa, MasterCard, American Express, and Discover.

Check-in time is 3:00 p.m. and check-out time is 11:00 a.m. Any departures after 11:00 a.m. are subject to the full day charge.

ATTIRE

Dress for the 2009 AAN Winter Conference is casual. Since meeting room temperatures and personal comfort levels vary, a light sweater or jacket is recommended for the educational activities.

CME AND DISCLOSURES

ACCREDITATION

The American Academy of Neurology is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

AMA PRA CREDIT

The AAN designates these educational activities for a maximum number of hours in category 1 credit toward the AMA Physician's Recognition Award. The number of credits assigned to each individual program is outlined in the program's description. Physicians should only claim credit commensurate with the extent of their participation in the activity.

CERTIFICATES FOR NON-PHYSICIANS

Non-physicians participating in the programs will receive a certificate of participation indicating attendance at an activity designated for AMA PRA category 1 credit.

EDUCATION DISCLAIMER

The primary purpose of the AAN Winter Conference is to provide educational programs. Information presented, as well as publications, technologies, products and/or services discussed, are intended to inform attendees about the knowledge, techniques, and experiences of physicians who are willing to share such information with colleagues. A diversity of opinions exists in the medical field, and the view of the program's faculty is offered solely for educational purposes. Faculty members' views represent neither those of the AAN nor constitute endorsement by the AAN. The AAN disclaims any and all liability for all claims which may result from the use of information, publications, products, and/or services discussed at the AAN Winter Conference.

FACULTY'S DISCLOSURE OF COMMERCIAL RELATIONSHIPS

Consistent with the AAN and ACCME policies, faculty must disclose any significant financial or other relationship with the manufacturer(s) of any commercial product(s) or service(s) discussed in their presentation. This policy is intended to make participants aware of all speakers' financial or other relationship(s), so that attendees may form their own judgments about material discussed during the educational activity. Full disclosure of faculty's commercial relationships will appear in the individual program materials. All faculty must sign an AAN letter of agreement stating explicitly that they understand and will adhere to ACCME and AAN Disclosure Statement guidelines that require full disclosure of commercial relationships, unlabeled use of products, and identification of data sources.

UNLABELED USE DISCLOSURE

The AAN requires all faculty members to disclose if a product is not labeled for the use being discussed or that the product is still investigational. Such disclosures will appear in the individual program materials.

REGISTRATION IS QUICK AND EASY

Register by December 15, 2008, and Save!

TAKE YOUR PICK

- **Sign up** online at www.aan.com/winter
- Or
- **Call** AAN Member Services toll-free at (800) 879-1960
- Or
- **Fax** in your registration using the attached form
- Or
- **Mail** in your registration using the attached form

REGISTRATION DEADLINE

The deadline for advance registration rates is December 15, 2008. Registrations received after this date will be charged an additional \$100.

CANCELLATION POLICY

Programs are subject to cancellation if enrollment is insufficient. In the event of cancellation, registration will be fully refunded. The AAN is not responsible for airfare, hotel, or other costs incurred by participants in the event of cancellation.

REFUND POLICY

The AAN will assess a \$50 administrative fee for cancellations received on or before December 15, 2008. Refunds will not be issued for cancellations received after that date.

SPECIAL NEEDS

If you have needs that require special accommodation to attend this meeting, contact Lori Strachota at lstrachota@aan.com or (651) 695-2706.

ON-SITE REGISTRATION DETAILS AND HOURS

Attendees can pick up their conference materials at the on-site 2009 Winter Conference registration counter. Additional details will be included in your registration confirmation packet.
