

OTHER HEADACHE SYNDROMES (339)	New Section
339 Other headache syndromes	New Category
Excludes: headache:	
NOS (784.0)	
due to lumbar puncture (349.0)	
migraine (346.0-346.9)	
339.0 Cluster headaches and other trigeminal autonomic cephalgias	New Subcategory
TACS	
339.00 Cluster headache syndrome, unspecified	New Code
Ciliary neuralgia	
Cluster headache NOS	
Histamine cephalgia	
Lower half migraine	
Migrainous neuralgia	
339.01 Episodic cluster headache	New Code
339.02 Chronic cluster headache	New Code
339.03 Episodic paroxysmal hemicrania	New Code
Paroxysmal hemicrania NOS	
339.04 Chronic paroxysmal hemicrania	New Code
339.05 Short lasting unilateral neuralgiform headache with conjunctival injection and tearing	New Code
SUNCT	
339.09 Other trigeminal autonomic cephalgias	New Code
339.1 Tension type headache	New Subcategory
Excludes: tension headache NOS (307.81)	
tension headache related to psychological factors (307.81)	
339.10 tension type headache, unspecified	New Code
339.11 Episodic tension type headache	New Code
339.12 Chronic tension type headache	New Code
339.2 Post-traumatic headache	New Subcategory
339.20 Post-traumatic headache, unspecified	New Code
339.21 Acute post-traumatic headache	New Code
339.22 Chronic post-traumatic headache	New Code
339.3 Drug induced headache, not elsewhere classified	New Code
Medication overuse headache	
rebound headache	
339.4 Complicated headache syndromes	New Subcategory
339.41 Hemicrania continua	New Code
339.42 New daily persistent headache	New Code
NDPH	
339.43 Primary thunderclap headache	New Code
339.44 Other complicated headache syndrome	New Code
339.8 Other specified headache syndromes	New Subcategory
339.81 Hypnic headache	New Code

339.82 Headache associated with sexual activity	New Code
Orgasmic headache	
Preorgasmic headache	
339.83 Primary cough headache	New Code
339.84 Primary exertional headache	New Code
339.85 Primary stabbing headache	New Code
339.89 Other specified headache syndromes	New Code
346 Migraine	
Excludes: headache:	Add
NOS (784.0)	Add
syndromes (339.00-339.89)	Add
The following fifth-digit subclassification is for use with category 346:	
0 without mention of intractable migraine <u>without mention of status migrainosus</u>	Revise
1 with intractable migraine, so stated, <u>without mention of status migrainosus</u>	Revise
2 without mention of intractable migraine with status migrainosus	Add
3 with intractable migraine, so stated, with status migrainosus	Add
346.0 Classical migraine <u>Migraine with aura</u> [0-3]	Revise
Migraine with aura	Delete
Basilar migraine	Add
Classic migraine	Add
Migraine triggered seizures	Add
Migraine with acute-onset aura	Add
Migraine with aura without headache (migraine equivalents)	Add
Migraine with prolonged aura	Add
Migraine with typical aura	Add
Retinal migraine	Add
Excludes: persistent migraine aura (346.5, 346.6)	Add
346.1 Common migraine <u>Migraine without aura</u>	Revise
Atypical migraine	Delete
Sick headache	Delete
Common migraine	Add
346.2 Variants of migraine, <u>not elsewhere classified</u> [0-3]	Revise
Cluster headache	Add
Cluster headache	Delete
Histamine cephalgia	Delete
Horton's neuralgia	Delete
Migraine:	Delete
abdominal	Delete
basilar	Delete
lower half	Delete
retinal	Delete
Neuralgia:	Delete

ciliary	Delete
migrainous	Delete
Abdominal migraine	Add
Cyclical vomiting associated with migraine	Add
Ophthalmoplegic migraine	Add
Periodic headache syndromes in child or adolescent	Add
Excludes: cyclical vomiting NOS 9536.2)	Add
psychogenic cyclical vomiting (306.4)	Add
346.3 Hemiplegic migraine	New Code
[0-3] Familial migraine	
Sporadic migraine	
346.4 Menstrual migraine	New Code
[0-3] Menstrual headache	
Menstrually related migraine	
Premenstrual headache	
Premenstrual migraine	
Pure menstrual migraine	
346.5 Persistent migraine aura without cerebral infarction	New Code
[0-3] Persistent migraine aura NOS	
346.6 Persistent migraine aura with cerebral infarction	New Code
[0-3]	
346.7 Chronic migraine without aura	New Code
[0-3] Transformed migraine without aura	
346.8 Other forms of migraine	
[0-3]	
Migraine:	Add
hemiplegic	Delete
ophthalmoplegic	Delete
346.9 Migraine, unspecified	
[0-3]
