

A. B. Baker Award for Lifetime Achievement in Neurologic Education

The A. B. Baker Section of Neurologic Educators annually selects a recipient for the A. B. Baker Award for Lifetime Achievement in Neurologic Education. The award is funded by an endowment created by matching funds from the A. B. Baker Family trust and Novartis.

The Section is seeking nominations for this award. Nominations for the **2011** award will be accepted until **January 31, 2010**, and selection will be made in April 2010. Listed below are the selection criteria. At the bottom of the sheet, there is space for a nomination and a short description of the attributes that you feel qualifies your nominee for the award (a more detailed description, which can be appended, will be very helpful). Please also list your name so that the nominating committee may contact you for further input if needed.

Selection Criteria for the A. B. Baker Award for Lifetime Achievement in Neurologic Education

1. The A. B. Baker award is for lifetime career achievements in the field of neurologic education with an emphasis on national accomplishments.
2. The nominee should exhibit leadership, creativity, and scholarship.
3. The nominee's neurological education activities should include significant work in the AAN, currently or in the past.
4. Nominations should be inclusive in regards to gender and under-represented groups.
5. Nominations submitted **MUST** include **a copy of this form, two (2) letters in support of the nominee** from persons *other than* the person who is submitting this nomination, **the nominator's letter of support**, and **the nominee's CV**.
6. Posthumous nominations will not be accepted.
