

2023 RITE Blueprint

Content Area	Total # Items
Behavioral Neurology and Neurocognitive Disorders	
Neuroscience and Mechanism of Disease	7
Clinical Aspects of Neurologic Disease	7
Neuroimaging Neuropathology Neurophysiology Other Diagnostic Procedures	8
Treatment/Management	8
Contemporary Issues*	2
Total	32 (8%)
Epilepsy and Episodic Disorders	
Neuroscience and Mechanism of Disease	8
Clinical Aspects of Neurologic Disease	8
Neuroimaging Neuropathology Neurophysiology Other Diagnostic Procedures	14
Treatment/Management	8
Contemporary Issues	2
Total	40 (10%)
Genetic and Developmental Disorders	
Neuroscience and Mechanism of Disease	7
Clinical Aspects of Neurologic Disease	7
Neuroimaging Neuropathology Neurophysiology Other Diagnostic Procedures	9
Treatment/Management	7
Contemporary Issues	2
Total	32 (8%)
Vascular Neurology	
Neuroscience and Mechanism of Disease	8
Clinical Aspects of Neurologic Disease	8
Neuroimaging Neuropathology	14

Neurophysiology Other Diagnostic Procedures	
Treatment/Management	8
Contemporary Issues	2
Total	40 (10%)
Neuromuscular Diseases (includes Autonomic Nervous System Disorders)	
Neuroscience and Mechanism of Disease	10
Clinical Aspects of Neurologic Disease	10
Neuroimaging Neuropathology Neurophysiology Other Diagnostic Procedures	16
Treatment/Management	10
Contemporary Issues	2
Total	48 (12%)
Demyelinating Diseases	
Neuroscience and Mechanism of Disease	8
Clinical Aspects of Neurologic Disease	8
Neuroimaging Neuropathology Neurophysiology Other Diagnostic Procedures	14
Treatment/Management	8
Contemporary Issues	2
Total	40 (10%)
Movement Disorders	
Neuroscience and Mechanism of Disease	8
Clinical Aspects of Neurologic Disease	8
Neuroimaging Neuropathology Neurophysiology Other Diagnostic Procedures	14
Treatment/Management	8
Contemporary Issues	2
Total	40 (10%)

Brain and Spinal Trauma and Spinal Diseases (2% to 4%)	
Neuroinfectious Disease (2% to 4%)	
Metabolic Diseases, Nutritional Deficiency States, Disorders due to Toxins, Drugs, Physical Agents (3% to 5%)	
Neuroimmunologic and Paraneoplastic CNS Disorders (1% to 3%)	
Neuroscience and Mechanism of Disease	10
Clinical Aspects of Neurologic Disease	10
Neuroimaging Neuropathology Neurophysiology Other Diagnostic Procedures	16
Treatment/Management	10
Contemporary Issues	2
Total	48 (12%)
Sleep Disorders (3% to 5%)	
Psychiatric Disorders (5% to 7%)	
Questions Not Associated with a Specific Neurologic Disorder (1% to 3%)	
Neuroscience and Mechanism of Disease	8
Clinical Aspects of Neurologic Disease	8
Neuroimaging Neuropathology Neurophysiology Other Diagnostic Procedures	14
Treatment/Management	8
Contemporary Issues	2
Total	40 (10%)

Neuro-Ophthalmologic and Neuro-Otologic Disorders (2% to 4%) Neuro-Oncologic Disorders (1% to 3%) Headache and Pain Disorders (4% to 6%)	
Neuroscience and Mechanism of Disease	8
Clinical Aspects of Neurologic Disease	10
Neuroimaging Neuropathology Neurophysiology Other Diagnostic Procedures	12
Treatment/Management	8
Contemporary Issues	2
Total	40 (10%)
Total	400

*Includes Interpersonal Communication Skills, Professionalism, Practice-based Learning and Improvement, Systems-based Practice
