Neurology Update I  

CME Credits: 3.5 hours

Friday, October 25, 2013  
1:00 p.m.–5:00 p.m.

Program Directors  
J. Clay Goodman, MD, FAAN, Houston, TX  
Joseph E. Safdieh, MD, New York, NY

Program Description
This program will provide a review and update in key areas of clinical neurology including neuroinfectious disease, 
neurology and pregnancy, and epilepsy. Emphasis will be placed on the updates for diagnosis, management, and the 
most current treatment modalities that have practical applications for the neurologist. Faculty was selected based 
on noted expertise in their field and excellent teaching skills. The Neurology Update programs will be offered over 
three days to allow participants to take part in other programs, visit the exhibits, or enjoy leisure activities.

Learning Objectives
Upon completion, participants should be able to identify the important advances in major areas of clinical neurology, 
apply new knowledge to the practice and teaching of clinical neurology, and provide the most up-to-date care for 
neurologic patients.

Recommended Audience
Trainee, General Neurologist, Specialist Neurologist

Core Competencies
Patient Care, Medical Knowledge, Practice-based Learning and Improvement, Professionalism
